

PROFESSIONAL BALANCE ANALYSIS

HOW TO GET IT

You have to get the measurement done with a BalancePlate somehow:

- With a pro, who has a BalancePlate already
- Find a Driving Range or a Academy that has a BalancePlate
- Buy a BalancePlate for your personal use
- Buy a BalancePlate together with your friends (very useful)

MEASUREMENT DATA

Save data of one typical shot in Analysis program. Export the data in the Analysis program to a file. Email the shot data to analysis@swingia.com

If you have additionally videos of your swing, send those also, as they will help to make even more accurate analysis of your balance.

WHO MAKES THE ANALYSIS

Raimo Kainulainen, Swing Balance Professional, assisted with other professionals will make the analysis. The analysis is based on scientific swing studies during ten years. Measurements do not lie, they are facts that can be interpreted in different ways.

You will get the analysis in a few days.

WHAT IS THE COST

The cost of the Analysis is 100 euro or 150 US dollar, to be paid in advance to A/C of Swingpro Ltd.
